

### SMALL GROUP GUIDELINES:

**SAFE GROUP:** everyone can be real, open, and honest with their struggles and victories.

**CONFIDENTIALITY:** What is said in the group stays in the group.

**LISTEN:** really listening to what is being shared. Try to avoid thinking about how you are going to respond, or what you are going to say next.

**PAUSE:** Give the person sharing the chance to finish and the group the opportunity to consider what was just shared before responding.

**NO "CROSS TALK":** Be considerate of others as they are sharing. No side conversations.

**NO FIXING:** We are not here to fix each other. Jesus does that part. Give encouragement; speak truth, and point to Jesus.

**NO RESCUING:** When people are sharing something deeply personal resist the temptation to rescue them by giving advice. This will often cause them to stop sharing.

**SHARING:** Be sensitive about the amount of time you share.

**BE SELF-AWARE:** Be self-aware of how you are personally effecting the environment through your words, actions, and non-verbal communication.

**USE "I" STATEMENTS:** It's easy to talk about the issues of others, but for our purposes, we want you to put yourself on the table. Try to use "I" statements rather than "them", "the church", "us", "we", etc.

**CONFLICT:** When conflict or sin issues arise, we want to make sure that we are honoring God and each other in the way we deal with these issues.

### Small Group Evening Schedule:

10min - Hangout time

10min - Follow-up discussion about Sunday's Sermon

40min - **Storying through scripture:**

As we finish our series through the book on Nehemiah, we learned how the Israelites spent time praying, confessing, and repenting over their sins and those of their ancestors. As you read chapter 9, take note of how they describe God, their ancestors, and themselves. They chose to make a new commitment to God and move forward. Consider these things as you think about your relationship with God.

*5min - Instructions for "storying" of scripture: "Storying" is taking a passage of scripture or a story in scripture and retelling it in your own words. The story is meant to be in the flavor of the individual and should be easy to tell. The rest of the group will pay attention and make sure that the individual does a good job covering the entirety of the story.*

*Then the group leader or someone in the group "rebuilds" or recaps the story with the rest of the group making sure to fill in gaps and add perspective. Rebuild the story and have everyone participate using questions like "What happened first?", "Then what happened?" until you get through the story together.*
