

Every year thousands of people promise themselves they're going to read through the Bible, that they're going to read a little bit everyday, or they're just going to start fresh and do better this year. Most people don't make it. Not even through the first month.

But... this year is different. We're going to start with something we can all handle. It's the new year, and we're spending 40 days of it getting into the Bible together, as an entire church.

On the other side of this card you will see a reading plan to go through the whole New Testament in 30 days. We know, it's not 40 days, but it allows you 10 extra days to catch up if you fall behind. We've also included two "grace days" a week to allow for a break from reading. We want to see your life transformed by reading the scriptures and allowing the Holy Spirit to speak into your heart.

So... make a commitment, set a time each day on your calendar, and read the Bible. It just might change your life!
